

Belle Glade Has Money Troubles As Other Cities

Your Mayor Counsels With You On Your Problems Concerning City Finances

(By Hon. Junius Harris)

This letter is addressed to you in the belief that you, like those of us who elected as your city commissioners, have a vital interest in the growth and development of Belle Glade. You have asked us to give you adequate police protection, fire protection, good streets, sidewalks, parks and recreation facilities, street lighting, good water, drainage, freedom from pests, streets, markets and good administration. We are making every effort to do these things.

Through the excellent cooperation of the county we have opened our own rock pit and we are building a number of streets at very low cost. We have been in obtaining very low contract prices on surfacing and have been surfacing a number of streets.

Belle Glade Youth To Be Trained For Stage, Radio Career

Mr. and Mrs. M. Michael, of Belle Glade, have in their son, Bert, a rather unusual and intelligent son, who for the past two years has shown outstanding ability for work in vaudeville, radio and television.

His numbers in the recent Lions benefit show gave Belle Glade people an opportunity to witness his versatility. This talent comes naturally by him, as his mother, was for many years a prominent artist on the stage, and her husband before her.

As soon as the present school year is over, Mrs. Michael will accompany her 12 year old son to New York where he will be placed under the tutelage of such prominent artists as Leon Liondotti, of Radio City, Ray Bolger and Arthur Godfrey, noted men of radio, stage and television. During the summer, these men, will book Bert for a number of summer appearances in entertainment spots in the northern cities. Bert's many friends in Belle Glade wish the success of his advanced studies in his chosen line of avocation.

South Florida To Likely Form Its Own City League

After the recent session of the Florida League of Municipalities at Jacksonville, which did not prove to be so fruitful, south Florida representatives speedily got busy to protect their interest, as against the northern cities.

The Palm Beach County Municipal League, formed a year ago, was called into an important session on Thursday night, at West Palm Beach, with representatives from Jupiter, Belle Glade, Pahokee, South Bay and municipalities down to Boca Raton present.

This gathering went on record as being "against" some of the Jacksonville legislation, and a move was made to form a South Florida League, to look after that region's municipal interests. The move was predicated on the fact that south Florida problems are entirely different than those of the north, and that the state and federal more effective protection, the two sections should be divorced, and each work for their own interest.

Bob Dadson Injured In Wreck Of A New Mercury Car

Two days ago, Bob Dadson, well known driver, purchased himself a new Mercury car, which he put into road use at about 10 o'clock on Wednesday morning, when he lost control on the bumpy road, and crashed into the pine trees along the normal beach road.

How a man ever come out of a wrecked car alive as did Dadson is almost unbelievable. He was taken to the hospital and given attention by Dr. Ralph Pipes, who found him cut and lacerated about the face with a broken nose, and other bodily injuries.

Deputy Constable Raymond Mock was the law officer reporting at the scene of action, and directed road work, and the removal of Dadson to the hospital.

New Fire Inspector Named By Chief Bender

Chief Guy Bender, of the Everglades Fire Control District, in order to have an official inspection of the southeast fire district, named James H. Landers, of West Palm Beach, to be the inspector. Landers will have charge of fires and conservation work in that district.

Car Robber Fined Up By Local Police

J. C. Cook, in charge of the PEO "B" construction, was charged with the theft of a car, locked over in the terminal section, reported to the City Police Saturday morning. The car was a 1948 Ford, and was valued at \$1,000. Cook was picked up by the police as the man who had done the breaking and driving.

Vegetable Prices Continue To Interest Growers

Local Growers Letting Tips To \$8 Mark-Bean Harvesting Starts Picking Plants

Farm activities in the Glades area took on a new tempo the past week, as the vegetable harvest began in earnest. It looked mighty good to again see the labor trucks and buses hauling the dusky labor crews to and from the fields.

Favorable growing weather continued, except no rain, and market men were pleased that demand for our goods kept up, and that better prices were being secured for the produce.

The bean market however started off a bit weak, but advanced somewhat during the week with better prices ahead.

Bill Graber, the radish farmer, states that demand for his produce was rushing at much faster rate than he has been shipping out a daily average of 5,000 baskets of radishes, and other root crops, the past two weeks. He expects to keep up his shipping schedule.

Lytle Graves, who represents the Stokley corporation, has returned from the market on last Friday night, with the radish farmer, Herman Close, president, presiding. The division decided that the market for radishes, the last week in March, the place of holding to be later decided.

Car Broken Into And Large Sum of Money Pilfered

On last Thursday night, Phil Mills, manager of the Gold Club, came into the city and parked his locked car in front of the Hugo theater, while he went to attend the theater.

When he returned he found that some one had used an instrument to cut the glass out of a window so that the lock could be turned. He also found that a box in which he had his cash money, containing \$11,000, amounting to over \$800.00, had been stolen.

Mills at once notified the police of the theft, and the county law officers at once began an investigation, but to date no arrests have been made. It will stress the fact that the car was not broken into, and apparently pilfered by someone who had knowledge that Mills was in possession of the funds.

Seventh Day Adventists To Hold a Revival

Rev. J. A. Crews, in behalf of the Seventh Day Adventist church, asked the City Commission for a permit to erect a gospel tent on the Bill Pierce property, where the skating rink will be for a period of two weeks, for the purpose of holding continued revival services.

Local Elks Will Not Enter Contest For Ritual Honors

Owing to the fact that James L. Gay is a patient in the St. Mary's hospital, with a severe case of eye, and unable to leave his bed, Belle Glade Elks have decided not to enter the District Ritualistic contest, which is being held on the Sunday, however, most of the staff will attend the event for pointers for next year's contest.

Announcement was made that Vice-President Frank O'Connell, of the Florida Elks Association, would make an official visitation to Belle Glade, next Monday night, March 7th, at which time there will be initiation and an extra good feed. Visitors from other lodges of the district are expected present on this occasion.

Farm Visitors From Towns Visit Glades

A group of northern agriculturists touring Florida on last Thursday, paid an inspection visit to the Townsend test garden on Tabit road, and there looked over the work of the local agronomist, who does commercial test work with seed plants, and tests with fertilizers and fungicides, for a number of farmers in the Glades area. The large seed and chemical corporations, and other locations in the state.

Dr. Townsend surely had something fine to show the group who passed many comments upon what they saw and learned. The visitors showed the greatest of interest, and learned much from the test work, and a considerable amount of other information of value. The products are needed for Glades farmers, and the products are needed for other locations in the state.

The farmer visitors were much impressed with our black mulch lanes, and the products of farming around the lake and the extensiveness of the operations.

Glades People Get Rebates on Tax Accounts

The Internal Revenue Department at Washington, in checking income taxes, found that quite a group of Florida people, had paid in excess amounts and were entitled to rebates, and Palm Beach had quite a number of these accounts. Persons in the Glades effected were given rebates as follows: (The department) states that the rebate allowed may cover one or more years.) J. H. Chambliss, Belle Glade, \$28.42; Frances A. Huffy, West Palm Beach, \$14.75; Mrs. E. M. Lively, Mrs. E. A. McCabe, Belle Glade, \$34.23; Rabin Co., Inc., Belle Glade, \$18.55; Ruth S. Stein, Chosen, \$12.82; L. Stuckey, Pahokee, \$7.67.

Vegetable League Banquets at Gold Club, March 8th

The March business meeting and supper of the National Wholesale League of Fresh Fruit and Vegetable Distributors is looked to be held at the Gold Club in South Bay on next Tuesday night, March 8th, at 8 o'clock. President McCabe expects that the banquet will be of interest presented which all members should be present to hear.

Car Broken Into And Large Sum of Money Pilfered

On last Thursday night, Phil Mills, manager of the Gold Club, came into the city and parked his locked car in front of the Hugo theater, while he went to attend the theater.

When he returned he found that some one had used an instrument to cut the glass out of a window so that the lock could be turned. He also found that a box in which he had his cash money, containing \$11,000, amounting to over \$800.00, had been stolen.

Mills at once notified the police of the theft, and the county law officers at once began an investigation, but to date no arrests have been made. It will stress the fact that the car was not broken into, and apparently pilfered by someone who had knowledge that Mills was in possession of the funds.

Seventh Day Adventists To Hold a Revival

Rev. J. A. Crews, in behalf of the Seventh Day Adventist church, asked the City Commission for a permit to erect a gospel tent on the Bill Pierce property, where the skating rink will be for a period of two weeks, for the purpose of holding continued revival services.

Local Elks Will Not Enter Contest For Ritual Honors

Owing to the fact that James L. Gay is a patient in the St. Mary's hospital, with a severe case of eye, and unable to leave his bed, Belle Glade Elks have decided not to enter the District Ritualistic contest, which is being held on the Sunday, however, most of the staff will attend the event for pointers for next year's contest.

Announcement was made that Vice-President Frank O'Connell, of the Florida Elks Association, would make an official visitation to Belle Glade, next Monday night, March 7th, at which time there will be initiation and an extra good feed. Visitors from other lodges of the district are expected present on this occasion.

Farm Visitors From Towns Visit Glades

A group of northern agriculturists touring Florida on last Thursday, paid an inspection visit to the Townsend test garden on Tabit road, and there looked over the work of the local agronomist, who does commercial test work with seed plants, and tests with fertilizers and fungicides, for a number of farmers in the Glades area. The large seed and chemical corporations, and other locations in the state.

Dr. Townsend surely had something fine to show the group who passed many comments upon what they saw and learned. The products are needed for Glades farmers, and the products are needed for other locations in the state.

The farmer visitors were much impressed with our black mulch lanes, and the products of farming around the lake and the extensiveness of the operations.

Mrs. Rapley Weeks Heads Red Cross Drive For Lower Glades Region

Emphasizing "A Dollar Membership For Everyone", Mrs. Rapley Weeks has about completed the organization of several scores of women, and business men to put over the Annual Red Cross Drive for the Lower Glades-South Bay-Lake Harbor area of Palm Beach County, concurrently with the National and County Drive.

Taking seriously the conditions prevailing in the Glades for the past two years, the County Chapter has set a quota for this area of \$2500, with the idea that this quota will be subscribed in short order.

Mrs. Melvin Wilder of Lake Harbor will act as Chairman of her Community Committee, composed of Mrs. Billie Campbell, and Mrs. C. A. (Mutt) Thomas.

Earwood Continues Head of Chamber Commerce Board

The directors of the Belle Glade Chamber of Commerce held its annual meeting, Tuesday night, and re-organized by re-election Henry O. Earwood, as president for a second year. R. E. Holgy, commercial agent for the Florida East Coast lines, was made vice-chairman, and chairman of the new Industrial Committee, the members of which he will meet later.

William DeLoach was continued as secretary for another year. Membership fees are not coming in at a rate that permits active work of the Chamber, only 106 paid up memberships.

Landowners of South Florida District To Meet Here Tuesday

Manager Billy Jeffries of the South Florida Conservation District is calling attention to the meeting of landowners of the district, scheduled for Tuesday morning, March 8th, at 10:00 o'clock.

All owners are urged to be present, for matters of interest to all will be discussed.

Carl Hayes Wins Fishing Contest For February

To better protect Glades fishermen, Parrish and Davis announced a change in rules in their monthly fishing contest, which has been in progress several months. The new rule requires monthly registration for all persons who may desire to contest for the prizes given for the largest bass weighed in at their place of business or at Solly's camp at the lake. This means that visiting fishermen, who come in from out of town for a day's angling, will not be eligible to enter the contest.

Birth Announcement

Mr. and Mrs. Clyde Doolittle announce the birth of a son at Good Samaritan Hospital on March 1st.

Rebekahs Attend Meeting In West Palm Beach

A delegation of members of the Rebekah lodge, No. 1007, attended a meeting of Guardian Rebekah lodge in West Palm Beach, Monday night. Those attending were Mr. and Mrs. Paul Davidson, Mrs. J. H. McTaggart, Mrs. Eph Morris, Mrs. Omar Helms, Mrs. John M. Gledhill, Miss Alice Diggs and Kathleen Rogers.

Observation and Comment By John M. Gledhill

Citizens and merchants along Avenue A complained that there was too much loose trash and papers blowing around on windy days. To correct this the Street department has provided a half dozen additional trash receptacles, which people are requested and urged to use.

When Pete Demoy's crew finished installing all the lights under a schedule provided by the City Commission, it was found that the lights were not all working.

Blissell Construction Company, West Palm Beach, \$183,972, plus \$200 for alternate.

Don Hillier and Sons, Inc., Pahokee, \$197,709, plus \$100 for alternate plan.

Golden Rays Knocked Out of Tournament By Fast Miami Tech

Our Golden Rays went to Ft. Lauderdale, last Thursday night, to play in the Gulf Stream basketball tournament, and were pitted against the fast moving and strong team from Miami Tech. The Miami team took the lead early in the contest and was never headed by our muck land team, the final score being 37 to 38. It was a well played and interesting game, and spectators got their money value out of the contest.

Education, Flood Control Experiment Station Work And Government Threatened

Golden Rays Knocked Out of Tournament By Fast Miami Tech

Our Golden Rays went to Ft. Lauderdale, last Thursday night, to play in the Gulf Stream basketball tournament, and were pitted against the fast moving and strong team from Miami Tech. The Miami team took the lead early in the contest and was never headed by our muck land team, the final score being 37 to 38. It was a well played and interesting game, and spectators got their money value out of the contest.

Lions Hear Fine Address By High International Man

Everyone who attended the Lions League night party at the Country club, on the evening of February 24th, were delighted with all the arranged entertainment provided by the arranging committee, from the law supper innovation, to the excellent food, and the merry

Florida's part (15 percent) of the monies needed to install the first phase of the overall flood control program—\$3,150,000 for the next two years—has not even in the budget, though there seems to be state-wide sentiment in the legislature for it. If it's put in, where will the money come from?

Experiment Stations have been cut one-third with will certainly see a migration of scientists from Florida who are now busy with Florida's agriculture.

These are not imaginations; talk with any member of the legislature, or any department head in Florida.

We're supposed to have leadership from Tallahassee to unmix this chaotic condition; we may have it, but it's expertly camouflaged. Whether it's to be blamed on the legislature, or not, that is where we must look for solution. That's what we elect them for.

If you're interested in any of these developments, get in touch with school, college students, inmates of the asylum, interested in your state's education, health, and mental status, of flood control, then talk to your member of the House or Senate.

After the bids were opened, all were turned over to County School Architect Edgar Wortman for study and report on the best bid. The bids ran from \$151,242.07 to \$197,700.00, the low and high bid being submitted by the Florida Remodeling and Construction company, of Belle Glade, Don Hillier and Sons, Inc., of Pahokee. The school board had set aside \$150,000.

The bids as submitted are as follows: Florida Remodeling and Construction Co. (Harris) \$151,242.07, plus \$12 for alternate and an added fee for alternate A plan, \$2100 more.

J. H. Sargent, of West Palm Beach, \$175,971, less \$691 on alternate A plan.

Kendall Construction Co., West Palm Beach, \$177,709, plus \$2550 for alternate A.

Caldwell - Scott Construction Co., Ft. Lauderdale, \$182,011, minus \$200 for an alternate.

Watt and Sinclair, West Palm Beach, \$189,283, minus \$200 on alternate.

W. W. Arnold Construction company, Vero Beach, \$189,739, less \$1360 for alternate A.

W. H. Krueger, Ft. Lauderdale, \$191,057, plus \$12 for alternate.

Hogan and Horrman, St. Petersburg, \$192,521, plus \$1900 on alternate.

Blissell Construction Company, West Palm Beach, \$183,972, plus \$200 for alternate.

Don Hillier and Sons, Inc., Pahokee, \$197,709, plus \$100 on alternate plan.

Faces of Disaster

Local Rebekah Club Attending Rebekah Assembly in April

Belle Rebekah Lodge, No. 1007, had an excellent meeting on Tuesday night, with Miss Sara Diggs in charge of the special program. At the meeting on March 15th, the lodge will observe the birthday of Schuyler Colfax, founder of the Rebekah order, and a potluck dinner will precede the lodge session.

Lodge members are planning attending some of the meetings and functions of the State Rebekah Assembly which meets in West Palm Beach on April 17-18. The Grand Encampment, Grand Lodge and Parliarchs will hold their annual session in that city the same week.

Building Projects Down in Belle Glade

The first two months of 1949 show that there has been very little progress made in building projects in Belle Glade, as large building permits have been few and far between. Inspector Willis however, is sanguine that this is only a temporary situation.

Lions Club Endorsed Plan for Placing Tax on Cigarettes

The weekly luncheon meeting of the Lions club was honored by the presence of Mayor John H. Hart, Commissioner Harold Rabin and Frank Dooley, and could have been named Municipal Day.

The Mayor brought a message which set out the actions of the present city commission, the needs of the city, and the requirement of added revenues to keep up activities in the way of public improvement.

He has an outline of the proposed passage of an ordinance that would place a tax of cigarettes, as a means of raising an estimated \$50,000 a year.

After extensive discussion, the Lions unanimously endorsed the plan, and the club is now in the process of collecting such a tax, which would raise cigarettes two cents, or to 24 cents, a pack.

The club is now in contact with the clubs of Lake Worth, Lantana, Pahokee and Clewiston, on a schedule of points, which will open June 30th.

Henry Smith To Hold Open House

Mr. and Mrs. Henry Smith will hold open house to their friends in their new home in the Rawls Subdivision on Saturday night.

Chemist Specialist Seeking Sources of Vegetable Waste

Dr. G. E. Hilbert, chief of the Bureau of Agriculture and Industrial Chemistry of the U. S. Department of Agriculture, spent several hours at Belle Glade, Monday, looking over the facilities of the experiment station, and local farming operations.

Dr. Hilbert was primarily interested in the availability of vegetable wastes for processing, one of the important functions of the Bureau. He was accompanied by his wife and by Lantana Graw, manager of the Florida Fruit and Vegetable Association.

Pahokee Sponsors New Lions Club at Canal Point

A new link was forged to be added to the Lion club chain in the Glades, Monday night, when organization of a new club at Canal Point was effected by Organizer Scottie Currier and District Governor Charles Hicks, with a charter membership of 22. The new club will have its charter presentation on March 28th, Roswell Harrington, transferring from the Pahokee club, will be the first president and Postmaster Oceola Upgrove, the secretary.

The Pahokee club is the sponsor of the new club, which was the Belle Glade and Clewiston clubs.

Nazareen Church Revival Meetings

Pastor Nelson, of the Nazareen church, announced a series of revival services which will open at the Girl's Scout hall, Sunday night, March 6th, at 7:30 o'clock, and continuing each evening of the week. The evangelist will be the Scotch evangelist, Dr. W. M. Harrington, of Gainesville, a speaker well worth hearing. The services are all open to the public.

Fish Trapping Open To Kissimmee Valley

As a result of an open meeting at Kissimmee with special desire to do commercial fishing, the State Game Commission, has issued a proclamation, which will give trap fishing on the five lakes East and West of Kissimmee, Kissimmee, Cypress

Local Woman Attends Sisters Funeral

WE'RE HERE TO SAVE YOU WORK
... help you make MORE MONEY

Sure, we like to sell tractors and implements, but we try to take a bigger view of our job than that. Our first aim is to help the farmer make more money. His success means our success. So, we make a study of farming, just as the farmer does.

Maybe we have some good ideas that might work well on your farm... to save work and make your work pay better. In any case, we want to know you, and your farm better. We are visiting the farms around here and hope to get to yours soon.

Meanwhile, if we can serve you in any way, call up, and we'll come right out. And drop in whenever you are near us. You'll find this is a good place to exchange ideas on the subject that you and we are most interested in... more profitable farming.

daughter-in-law, Mr. and Mrs. Eric Hartline.

Mr. and Mrs. John R. Crow and children, Mike and Sharon, of Miami Springs were the dinner guests of Mrs. P. E. Goodwood and supper guests of Mr. and Mrs. A. B. Crow Sunday.

Mrs. Helen Gysendorfer of Chicago, Ill., who is vacationing at Fort Lauderdale was in South Bay Monday looking after property interests.

John Lee Henderson, infant son of Mr. and Mrs. S. E. Henderson is a patient at the Belle Glade Hospital suffering from intestinal flu and other complications.

Mr. and Mrs. Roy Nelson have moved to Georgia.

Delores, daughter of Mr. and Mrs. Leon H. Willis, is at Avon Park recovering from a tonsillectomy.

Mrs. A. N. Lamoureux and Mrs. F. W. Mutchler, president and delegate of the South Bay Home Demonstration Club attended the dress and apron contest sponsored by J. C. Panny Company under the auspices of the Senior Council on Saturday and entered their cotton dresses and aprons in the contest.

Mr. and Mrs. Ellis Blanchard, son Frederick and Harvey Powers of Tampa were the dinner guests of Mrs. Cora Marlowe. The also visited her sister, Mr. Paul Touchstone and family.

Miss Dorothy Higginbotham of Gainesville was the weekend house guest of her aunt, Mrs. A. B. Barnes.

The South Bay Parent Teacher Association will meet Monday, March 7, at the school auditorium at 8 o'clock in the evening. All parents and teachers are invited to attend and bring their friends.

Mrs. Eric Hartline was called to her former home at Bell Mountain, Ala., last week by the serious illness of her father and a surgical operation on her only brother.

Attorney at Law and Mrs. Harvey Buckley, of Caldwell, Ohio, Rev. and Mrs. Joe Buckley, of Stuart, were recent guests of their cousin, Mrs. Mollie Covell at the Hardy Everglades Tropical and Sub-Tropical Farm at Okechobee. Rev. Buckley served during the war as chaplain in the army. The two couples were touring the Everglades and expressed themselves as interested and impressed with the growing crop in mid-winter and fine fertility of the muck soil.

Ohio Visitor Returns Home After Visit With South Bay Relatives

C. E. Buckley who has been visiting his sister, Mrs. Mollie Covell, was recalled to his home at Newark, Ohio, last week after a two and half months stay in Okechobee.

He was impressed with the work being done by Laymon Hardy on his Everglades Tropical and Sub-Tropical Experimental Farm at Okechobee in which Mrs. Covell takes an active interest and is devoting the larger portion of her time during Laymon's absence at the university to keeping his experiments going.

Mr. Buckley also visited Mr. and Mrs. M. D. Hardy in Miami with Lamon and his friends, Mr. and Mrs. Otto Fernandez.

South Bay Stork Shower
Mrs. Bryant Keen was complimented at a stork shower at the home of Mrs. W. M. Jeffries in South Bay, Friday afternoon. Many lovely gifts from those present and also from many unable to be at the party were received by the honoree.

Wafers topped with cottage cheese, cake and appetizer was served to Mrs. E. M. Willis, Mrs. E. E. Hardy, Mrs. J. C. Summerlin, Mrs. Melvin Harding, Mrs. Floyd Wilder, Mrs. Robbie Oswald, Mrs. C. L. Scarborough, Mrs. W. M. Jeffries, Mrs. J. E. Henderson, Mrs. Keen, and Mrs. T. E. Wetherill.

Class Enjoys An Evening at Gales

The Adult Training Union enjoyed a party at the South Bay Baptist Church Friday evening. The entertainment committee had worked out a number of stunts and interesting games for the amusement of the group and a delectable refreshments were served.

Those attending were Mr. and Mrs. A. J. Williams, Mr. and Mrs. C. A. Armstrong, Mr. and Mrs. M. J. Hardy, Mrs. A. B. Barnes, Mrs. H. C. Willis, Mrs. F. W. Mutchler, Mrs. L. L. Simmons, Mrs. C. McLoyle, Mrs. W. M. Jeffries, Mrs. Emma Best, Mrs. Augusta Best, Mrs. E. E. Hardy, Mrs. A. W. Le-

moureux, W. C. Allen and Rev. B. A. Oswald.

Rear Tire Blowout Caused Death of an Ohio Tourist

A rear tire blow-out on a Miami car, Saturday, caused the death of one occupant of the car and minor injuries to two other adults.

Annabelle Herchik, of 856 E. Lucius St., Youngstown, Ohio, was killed. The car evidently struck her as her chest was badly crushed according to Highway Patrolman Valton Sheffield who investigated the accident.

Joseph Pepie, driver of the car, residing at 912 S. W. 34th St., Miami, suffered head lacerations and was given first aid at the Belle Glade Hospital. Mrs. Helen Maples, of Louisville, Ohio, was bruised and suffered from shock. Her baby was not hurt.

The body was taken to the South Bay Funeral Home at Pahokee after having been released by Coroner George A. Williams. The accident occurred about 1:20 a.m., on Highway No. 27 about 24 miles south of South Bay.

Legion Post To Soon Start Work on Hall in South Bay Villages

The South Bay American Legion Post No. 161 staged a very successful barbecue dinner on Washington's birthday and realized a net sum of approximately \$1800.00 which was added to their building fund and plans are now being matured to start the building in the near future.

Five hogs and a beef were barbecued by Hub Bolshak of Lake Harbor, assisted by a crew of local Legionnaires. O'Neal Walker, finance chairman, estimated that they served 1000 plates. People "were present from all over the Glades, he states, and many sent the evening on the grounds who did not partake of the barbecue dinner.

Bingo was played during the evening and many very nice prizes were awarded to the players.

Mormon Women's Club Spend Afternoon in Making Altar Cloths

The Woman Relief Society of the Church of Latter Day Saints met Tuesday afternoon at the home of Mrs. Julius Herring at Hooker's Point.

The members spent the afternoon making sacrament cloths and mending children's garments for the needy.

Refreshments were served by the hostess to Mrs. Elsie Wiggins, Mrs. H. B. Walker, Mrs. Lina Byrd, Mrs. Ethel Davis, Mrs. Leonard Roberts, Mrs. Thelma Mencil and three children, Elsie Roberts, Dawn Willis and Neil Walker.

LIONS HEAR FINE
(Continued From Page 1)
of Melbourne. It all went to make up one of the finest parties ever held by the club for such occasions.

One of the features of the evening was the auctioning off of a lovely yellow rose, grown in the W. P. Risk's gardens, which was finally awarded to Mrs. C. W. McDonald, our woman park director, when the bid had reached the \$68.00 mark. It was a horse race whether Pahokee or M. L. Keen as its bidder, or Belle Glade, with many bidders, would get the trophy.

Tail twisters were busy all through the evening and Ray Whitlock's collection for the March of Dimes campaign was a generous one, which will aid materially in bringing donations up to the assigned quota.

One only needed to hear the guest speaker of the evening to determine why he holds such an important position in International Lionism, for his address was pertinent and impressive, and contained many new items of interest in the present work of the great Lion organization.

In his opening remarks, Mr. McNulty, paid compliment to West Palm Beach County as an agricultural locality, and stated that it was the fourth county in the state in the payment of taxes into the state treasury, as well as high in paying income taxes to the Federal Government.

He cited that the past week had been observed throughout Lionism as Rededication week, with thousands of gatherings being held for that purpose. That Lion objective was to provide better citizenship and better local, county and state government.

Lionism is growing at a phenomenal rate throughout the world, and more than 400,000 now wear the "L" pin. Florida now has 120 clubs, with new clubs in Miami, Stuart, Delray in this section. On Founders week, held the second week in February, 25,000 new members were added to the rolls. The Ladd's orchestra, who pro-

vided excellent dance music for the after dinner period. Invited guests present were Mr. & Mrs. Ralph Freeman, the former Rotary president; M. L. Keen, president of the Pahokee Lions club; and Rev. Leonard Vanderwater, Mr. and Mrs. Roscoe Braddock.

Pahokee Hospital Will Be Built by Hillier and Son

The City of Pahokee, on February 23rd, opened for bids for the erection of a \$160,000 hospital on the former C. A. Moore property on the Canal Point road, to be paid out of bond issue monies. Two bids were received, one from Don Hillier and Sons, of Pahokee, for \$124,940, and the other from J. H. Sopp, of West Palm Beach, for \$131,758. The Commission accepted the Hillier bid.

The plans and specifications call for a one story concrete building, built in an "H" shape, containing 45 rooms, in addition to foyer and office space. Work is to be started within 10 days after signing of contract and completed in 180 days.
